

## Soil Fact Sheet – Due Friday, 11/5

Use the internet to make a fact sheet concerning problems associated with either:

1. soil erosion
2. desertification
3. salinization

Requirements:

- Must be 1 side of 1 page
- Must use pictures and text to effectively convey a small amount of information
- Should address the following:
  - i. What it is
  - ii. Where it is occurring
  - iii. What is causing it
  - iv. What the consequences are
  - v. What can be done
- NO COPYING AND PASTING!! Summarize or paraphrase and cite sources of information. (Google “Purdue + OWL” for MLA details.)
